## INTRO

D D2 G D D2 G

9 D D2 G G

Praise God, our Heav - en - ly Fa - ther,  
Though our eyes have nev - er seen Him,

13 D D2 G B m

wor - ship Je - sus, our Sav - ior. Clothed in mer -  
yet through faith we'll not wa - ver. Will you trust

18 A G B m

- cy, He came - to save us, and He gave  
- Him? Oh, will you be - lieve in Him and re - ceive

22 A G A sus4 D A

- us hope and ev - er - last - ing fa - vor. I have a liv - ing hope and a  
in Him His ev - er - last - ing fa - vor?

27 G A sus4 A D A

life be - yond the grave, a bright - er in - her - i - tance that nev - er

31 G A B m A

tar - nish - es or fades. I have a liv - ing hope pur - i -

35 G A D A

fied by ho - ly fire. I have a liv - ing hope,

## A Living Hope

39 G                      A                      D                      D2                      G                      A sus4

Je - sus,                      You're my heart's de - sire.

45 G                      A sus4                      B m                      A                      G

Je - sus,                      You're my heart's de - sire.

50 A                      B m                      A                      G                      A sus4

You're my heart's de - sire.

## CHORUS

55 D                      A                      G                      A sus4                      A

I have a liv - ing hope and a life be - yond the grave, a

59 D                      A                      G                      A

bright - er in - her - i - tance that nev - er tar - nish - es or fades.

63 B m                      A                      G                      A

I have a liv - ing hope pur - i - fied by ho - ly fire.

67 D                      A                      G                      A sus4

I have a liv - ing hope, Je - sus, You're my heart's de - sire.

71 D                      D2                      G                      G                      B m                      A

You're my heart's de - sire.

77 G                      A sus4                      A                      D                      *Fine*

Je - sus, You're my heart's de - sire.
